

# Smith College Libraries Annual Report of Donors

## July 1, 2013 – June 30, 2014

During the past year the Libraries have benefited from the thoughtfulness and generosity of many supporters. Gifts to the Libraries enhance our collections and help us provide better resources for students and faculty. The high quality of our Libraries is due in no small part to the enduring interest and support of our Friends.

*Every effort has been made to accurately report all donors who have made a gift to the libraries. If we've made an error, please let us know.*
