Before we begin, a few Zoom etiquette reminders

Please DO:

- Minimize distractions around you
- Start your webcam (if you feel comfortable)
- Mute yourself when not speaking
- Type questions in the meeting chat

Please DON'T:

- Leave your mic unmuted when you're not speaking
- Interrupt other people when they're speaking (or attempt to speak over them)

Ask us questions!

How to “Raise your hand”:

1. Click on **PARTICIPANTS** in the meeting controls

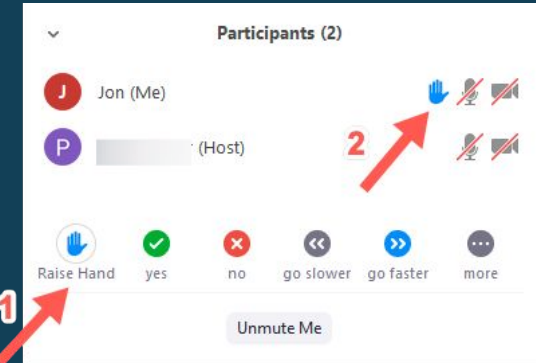

2. Click on blue **RAISE HAND** icon
This will show our Moderator that you have a question

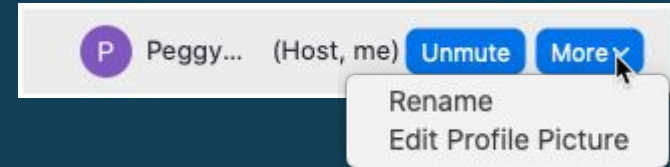

Your hand will show up next to your name in the participant list

3. Wait for the Moderator to unmute you during Q&A

How to change your screen name:

1. In the “Participants” panel, Hover your cursor over your name and choose **RENAME**

2. Enter in a new screen name.
Consider adding pronouns

You may also want to shorten your last name, so pronouns are not hidden if you have a longer name.
